PUBLICATIONS

- Kapickis M., Sassu P., Thirkannad SM,. Two types of vascular bundles for revascularization of avascular tissue. *Journal of Hand Surgery (Am)*. Accepted for publication. Manuscript number 08195R1
- Kapickis M. “New “Loop” suture for FDP Zone I injuries”. *Techniques in Hand Upper Extremity Surgery*. 2009. July/Sep 13 (3) Accepted for publication. Manuscript number THUES 09-7
- Kapickis M., Pupelis G., “Failed revascularization of the avascular tissue as a result of the thrombosis of the transplanted vascular bundle”. *Rīgas Stradiņa Universitātes Zinātniskie raksti 2008*. Accepted for publication.
- Kapickis M., Kutz JE., “Titanium alloy ring crush injury”. *The American Journal of Emergency Medicine*. 2007 Nov; 25(9):1084.e3-5.
- Aymeric Y. T. Lim., V Prem Kumar., Sandeep J. Sebastin., Martins Kapickis., “Split Flexor Carpi Ulnaris Transfer: A New Functioning Free Muscle Transfer with Independent Dual Function”. *Plast Reconstr Surg*. 2006 May;117(6):1927-1932
- Kapickis M., Tihonovs A., Sunil T.M., “Salvage of an ischemic "kite" flap by arteriovenous supercharging”. *J Reconstr Microsurg*. 2005 Apr; 21(3):157-9.
- Kapickis M., Looi KP., Chong A., “Combine fractures of the body and hook of Hamate: A form of ulna axial injury of the wrist”. *Scand J Plast Reconstr Surg*. 2005 Apr; 39(2): 116 - 119
- Kapickis M., Lim Yu-Tang Aymeric., “Practice Manual for Microvascular Surgery”. *Publisher: National University Hospital of Singapore, department of Hand and Reconstructive Microsurgery*. Submitted for print-out on July 2004.
- Kapickis M., Lim Yu-Tang Aymeric., Ivor Lim Jiun., “Rate of thrombosis of atraumatically ligated vascular bundles or Why results of Hori’s-Tamai technique are inconsistent?” *Program and Abstracts, 2nd Baltic Congress of traumatology and orthopedics*, Oct 14-16, 2004
- Kapickis M., Rate of fingernail growth. *Plast Reconstr Surg*. 2003 Oct;112(5):1501

- Ong W.C., Martins K.[Kapickis M.], Peng Y.P., Looi K.P., Lim A.Y.T., Pho R.W.H. “Biological spare part surgery”. *Program and Abstracts World Society for Reconstructive Microsurgery*: June 2003, Heidelberg, Germany.
- Kapickis M., Pastars K., Libermanis O., Krauklis G., Krustins J., Tihonovs A., “Hand transplantation – are we ready?”. *Acta Chirurgica Latviensis*, 1:27-29, 2001
- Libermanis O., Krauklis G., Kapickis M., Krustins J., Tihonovs A., “Distally based forearm flaps used as flow-through flaps for emergency revascularization”. *J Reconstr Microsurg*. 2001, Nov 8:607-610.
- Kapickis M., Libermanis O., Krauklis G., Krustins J., Tihonovs A. “Blast trauma to the hand in civilian settings.” *Program and Abstracts of Scandinavian Hand Society Meeting*; August 2000, Kopio, Finland. (Lecture).
- Libermanis O., Krauklis G., Kapickis M., Krustins J., Tihonovs A., “Use of the microvascular finger fillet flap” *J Reconstr Microsurg*, 1999 Nov;15(8):577-80
- Kapickis M., Libermanis O., Krauklis G., “Treatment of ring avulsion injury, review of the current publications.” *Latvian Journal of General Medicine “Jums Kolēgi”* 4:41-43, 1999.
- Libermanis O., Pastars K., Krauklis G., Krustins J., Kapickis M., “Modern theory of the soft tissue defect closure.” *Latvian Journal of Medicine “Latvijas Ārstu Žurnāls”* 8:32-36, 1999.
- Krauklis G., Libermanis O., Kapickis M., “The current options for breast reconstruction.” *Latvian Journal of Medicine “Doctus”* 2:33-34, 1999.
- Libermanis O., Kapickis M., Tihonovs A., Bite G., Krauklis G., Krustins J. “Treatment of severe foot damage by aggressive tissue removal and reconstruction with microvascular flap” *Latvian Journal of Medicine “Latvijas Ārstu Žurnāls”* 4:41-43, 1999.
- Libermanis O., Macuks M., Krauklis G., Bite G., Dalmatovs A., Krustins J., Tihonovs A., Kapickis M. “Closure of traumatic soft tissue damage in lower extremity” *Latvian Journal of Medicine “Latvijas Ārstu Žurnāls”* 2:45-48, 1999.
- Libermanis O., Kapickis M., Krauklis G., Bite G. “Usage of venous flaps for revascularisation of the hand and fingers” *2nd Congress Handbook of the APFSSH, 1999 Singapore*.
- Kapickis M., Libermanis O., Krustins J. “Microsurgical Treatment of ring avulsion injuries” *Program and Abstracts of Scandinavian Hand Society Meeting* ; August 1998. (Lecture).

- Tihonovs A., Libermanis O., Krauklis G., Kapickis M., Krustins J. "Emergency forearm flaps" *Program and Abstracts of Scandinavian Hand Society Meeting* ; August 1998.
- Libermanis O., Kapickis M., Krustiņš J., "An unusual case of microvascular replantation of the scalp" *Plast Reconstr Surg* 1998 Nov; 102(6):2273-4
- Tihonovs A., Libermanis O., Krauklis G., Kapickis M., Krustins J. "Emergency forearm flaps." *Program and Abstracts of Scandinavian Hand Society Meeting* ; August 1998.
- Krauklis G., Libermanis O., Kapickis M., "Distal Digital Replantation; Case report." *Latvian Journal of Physicians and Pharmaceuts* 4:41-42, 1998.
- Pupelis G., Kapickis M. "Modern theory of SIRS" *Latvian Journal of General Medicine "Jums Kolēgi"* 2:8-10, 1997.
